

FRIEND CHRISTIAN ASSEMBLY NEWSLETTER

Missionary/Ministry for the month of

July:

God blesses a Missionary minded church,
God blesses a Missionary minded Pastor.
It is proven over and over again that when
you give, you receive.

Missions is taking the whole gospel to the
whole world. "Go into all the world and
preach the Good News to everyone." Mark
16:15 NLT

But how can they go unless they are sent?

As a church we can be so thankful that
several missionaries wait each month for our
money to come for them to live, and for the
history of Friend Christian Assembly, that
money comes from those who can't answer
the call themselves, but can help others to
go. They are blessed for their generosity!
I have a little article that is entitled "The
Law of Small Potatoes."

Many years ago, the Chinese farmers
theorized that they could eat the big potatoes
and keep the small potatoes for seed.

Consequently, they ate the big potatoes and
planted the small potatoes. As a result of
this practice for many years, the Chinese
farmers made the startling discovery: nature
had reduced all their potatoes to the size of
marbles.

A new understanding of the law of life came
to these farmers. They learned through
bitter experience that they could not have
the best things of life for themselves and use
the leftovers for seed. The law of life
decreed that the harvest would reflect the
planting.

In another sense, planting small potatoes is
still a common practice. We take the big
things of life for ourselves and plant the
leftovers. We expect by some crazy twist of
spiritual laws, our selfishness will be
rewarded with unselfishness. But we cannot
eat the big potatoes and have them, too!
What size of potatoes have you been
planting spiritually? Be not deceived; God
is not mocked; for whatever a man sows,
that shall he also reap." Galatians 6:7
